Annual Holiday Fund

Dear Morningside Member,

Once a year, you have an opportunity to express your appreciation to the Club's employees by generously supporting the Morningside Employee Holiday Fund, which acknowledges and rewards our entire staff for their hard work, commitment to excellence, dedication to our membership and our traditions at Morningside.

I will venture you have had a personal experience that reflects the outstanding service provided by our wonderful staff. And while there are many departments, from the kitchen to the F&B staff, housekeeping, valet, and maintenance staff, to the Member Services and accounting staff, to golf course maintenance, Golf Pro Shop, The Rock, Tennis & Fitness departments, and Club events to daily dining, everyone works together as a team to make sure your experience is safe, enjoyable, and memorable.

This year again, has been a challenge for everyone. The effects of inflation have certainly affected everyone, as well as our incredible and dedicated Morningside staff. As you know, we do not allow tipping at the Club, and this practice has served us well to maintain the integrity and balance that members enjoy. Morningside staff do not realize any additional compensation beyond their hourly or annual income and rely solely on our collective generosity at year's end to supplement their income.

We hope you will generously support the Employee Holiday Fund, and for your convenience, we have enclosed a form which you may use to indicate how much you want to contribute. Please complete, sign, and return the form to us as soon as possible in the enclosed self-addressed stamped envelope, or you may contribute by calling the Member Services Desk at the Clubhouse, (760) 324-1234.

Last year our average contribution per membership was approximately \$500.00 and we hope we can exceed that this year. With the Holiday Season quickly approaching we request that you return your contribution by December 12<sup>th</sup> so we can distribute it to our staff, allowing them and their families to go into the Holidays with a bit more joy.

Thank you for your consideration,

I wish you a happy and healthy holiday season!
