# Instructors

**Functional Strength:** Enjoy the full body workout designed to increase balance, flexibility and strength through natural movements necessary to keep the body functionally fit. A practical work out for all levels no experience necessary **All fitness levels are welcome.**

**Spin:** This high energy, non-impact cycling class is a great way to burn calories and have fun at the same time. Focuses on endurance, strength, intervals, high intensity and recovery by varying levels of resistance on the stationary bike. **Sign-up required for Spin**

**Strength & Conditioning Circuit Class:** Come and join Tyrone Perkins, aka, "Mr. Super-Fantastic" Strength and Conditioning Circuit Class. The Benefits of this class will help you improve strength, as well as the cardiovascular and respiratory fitness. This class will also assist you at improving muscular strength and muscular endurance. By keeping the heart rate elevated and of course, the rapid change of exercise, will keep you mentally charged and motivated thru the class.

**Yoga:** is geared specifically for those new to **yoga** or those who are interested in a **gentle** practice. This class incorporates simple flowing sequences to warm up the body, as well as slower paced movements focusing on alignment, strength, balance, and flexibility. ... No experience or flexibility required.

**Yoga – Saturdays:** Combination of the physical, philosophical, and energetic components of HATHA & VINYASA yoga. It will help with relaxation, and a better rotation for that golf swing or tennis swing. **All Fitness Levels Welcomed**

**Pilates Reformer:** This total body workout emphasizes body alignment to build strength, endurance & flexibility, creating a power center enabling the rest of the body to move freely. **Knowledge of the Pilates reformer workout is a prerequisite.**

**Body Sculpting** involves a combination of shaping the body for a balanced and symmetrical appearance, and defining the muscles to obtain a slim, athletic physique. Body sculpting requires dedication to a combination of clean diet, cardiovascular exercise and strength training in order to achieve success.

**SOUND HEALING MEDITATION.** Embark on a transformative journey of deep relaxation with our immersive sound healing meditation. This class offers a unique and rejuvenating experience for your mind, body & spirit through the healing powers of sound. You will find great balance & harmony in a symphony of healing instruments including crystal singing bowls, Tibetan bowls, gongs, wind chimes, drums & more.

**Rhythm Rodeo:** A lively line dance class combining country, pop, and classic hits with fun, easy-to-follow moves for all skill levels.

**Bradley Ryan.** As a certified Reiki Therapist, I channel the Universal Life Force Energy to facilitate your body's natural healing abilities. Through gentle touch and energy balancing, I create a space for you to release blockages, reduce stress, and restore harmony to prioritize self-love and self-compassion.
